REREC Family Grows

A new staff member at her workstation in Kawii Complex

Two hundred and thirty (230) new employees are set to join REREC in various capacities following a recruitment drive that has been successfully concluded by the Corporation.

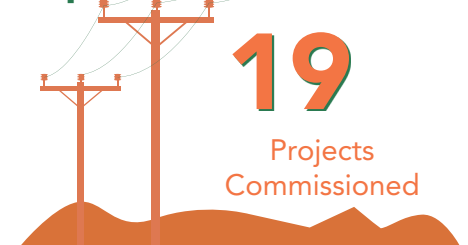

The new employees comprise four 4 General Managers (GM's) for the following directorates; Finance & ICT, Human Resource & Administration, Renewable Energy Research & Development, and Internal Audit. Also coming in are 14 managers and 20 Principal Officers and 192 staff in other various cadres.

The first employees started reporting on 21/03/2022 and the exercise shall end on 8th April 2022.

To the new team, 'welcome on board, you're a great addition to the REREC family and we will support you all the way. Congratulations on your appointment. Your presence is valued in this organization, and we believe in you, in your ability to propel the Corporation toward in achievement of our vision "a green energy driven nation". We wouldn't have hired you if

we didn't believe in you and as such you were carefully selected as the best of the best. One of our core values in REREC is quality and excellence which means that we set and achieve high standards in our work. It is important that we continue to showcase this culture in everything we do as an organization. It is an opportunity for you, our new team members, to demonstrate quality and excellence in your duties, to enable the organization to keep on standing tall.

Projects' Progress Report

19 projects were commissioned in the week ending 25/03/2022, in various parts of the country. The total number of commissioned projects in the current financial year stands at 806 with 977 projects in progress. 197 projects are awaiting either joint inspection, shut down or commissioning.
