

Workplace Tidbits

The man in the glass

Peter Dale Winbrow Sr. (1934)

When you get what you want in
your struggle for self

And the world makes you king for
a day

Just go to the mirror and look at
yourself

And see what that man has to say.

For it isn't your father, or mother,
or wife

Whose judgment upon you must
pass

The fellow whose verdict counts
most in your life

Is the one staring back from the
glass.

He's the fellow to please – never
mind all the rest

For he's with you, clear to the end
And you've passed your most
difficult, dangerous test

If the man in the glass is your
friend.

You may fool the whole world
down the pathway of years

And get pats on the back as you
pass

But your final reward will be
heartache and tears

If you've cheated the man in the
glass.

KEMP Projects in Turkana

Team Leader Edward Gakunju, REREC, addresses a public consultation meeting at Kerio

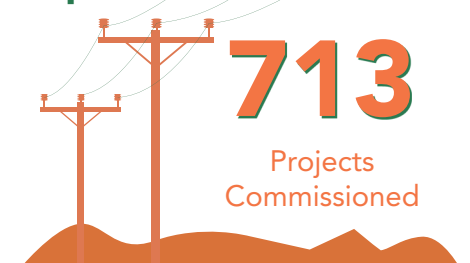

REREC in partnership with the World Bank, is implementing projects aimed at transforming the lives of local communities through the provision of electricity in several rural counties. In Turkana County, the Kenya Electricity Modernization Project (KEMP) projects are being implemented at Kaeris and Kerio in Turkana North and Turkana Central Constituencies.

In compliance with the World Bank's safeguard policy guidelines on land acquisition, REREC held public Barazas at the two sites on 14th and 15th February 2022 respectively. The public participation exercise was to allow the communities to identify projects that REREC will implement as compensation in exchange for the land they are donating for the mini-grid.

The two communities identified the provision of water for households and their livestock as their priority project. In Kaeris, the community proposed drilling of a new borehole or rehabilitation of the existing borehole and its equipment with a pump while installation of a new pump for the borehole at Kerio and rehabilitation of piping system were proposed.

The land acquisition process for the two projects is ongoing with National Land Commission (NLC) expected to issue allotment letters following the grant of no objection by the county government.

Projects' Progress Report

22 projects were commissioned in the week ending 18/02/2022, in various parts of the country.

The total number of commissioned projects in the current financial year stands at 713 with 999 projects in progress. 149 projects are awaiting either joint inspection, shut down, or commissioning.
